Upper East Side newcomer [Caffe dei Fiori](#) launches their new brunch menu this weekend, including all the requisite Eggs Benedict and Pancakes options plus their signature Italian flavors whipped up in some unique options. Try the Sfogliatina con Asparagi e Funghi in Salsa Cremosa, a kind of lasagna-esque dish made with savory crepes layered with tomato sauce, mushrooms and prosciutto or a simple dish of Prosciutto and Burrata. The new brunch menu is available on Saturdays and Sundays from 11:30 a.m. to 3 p.m.
